

What is a Parrot Head?

The term "Parrot Head" was coined in 1985 at a Jimmy Buffett concert. At the show, Jimmy commented about everyone wearing Hawaiian shirts and parrot hats and how they kept coming back to see his shows, just like Deadheads. Timothy B. Schmidt, then a member of the Coral Reefer Band, coined the term "Parrot Head" to describe each of those fans. The first 'Parrot Head' club was started by Scott Nickerson in Atlanta in 1989 and has grown into a network of over 200 clubs around the U.S., plus international clubs based in Canada, Europe, the Caribbean and Australia. The Southwest Florida Parrot Head Club was started in November of 1994.
